# Pre-Paid Discount Options

## Base Discount Option 1

The base discount applies to contracts with multiple months in the same newsletter or ads in multiple newsletters. These ads do not have to be the same. They can be changed monthly, or they can be neighborhood specific. The more ads purchased on a contract, the larger the discount.

- 3 ads - 5%

- 12 ads - 15%

## Gold Discount Option 2

The Gold Discount is similar to the base discount with a few additional criteria. To qualify for the Gold Discount, the ads need to be one of the following:

- All the exact same ads, meaning the ad will need to be set up only once and any subsequent ads on the contract will match the first one.

### OR

- Professionally created ads that are in the format required for newsletter publication (ie: camera-ready ads). Contracts with camera-ready ads may include different ads each month as long as all ads are provided camera-ready. Please see our website to view the description of camera-ready ads to see if your ad qualifies.

**Gold Discount** rates are as follows:

- 2 ads - 10%
